

A close-up photograph of a server drive tray, likely a hard drive or optical drive, mounted in a black plastic chassis. The drive is a silver metal tray with two rows of vertical ventilation slots. A small metal latch is visible on the right side of the tray. The drive is partially inserted into the chassis. A white label with red text is attached to the front of the chassis. The background is a wooden surface.

Push Eject Button  
and remove this card  
before attempting operation.
